

§ 11.87 Proceedings after notice of proposed rulemaking.

(a) Each person who submits written information, views, or arguments in response to a notice of proposed rulemaking, or during additional rulemaking proceedings in connection with such a notice, must file the number of copies specified in the notice.

(b) Whenever the Director determines that additional rulemaking proceedings of the kind described in § 11.33 are necessary or desirable, he may designate representatives to conduct those proceedings.

§ 11.89 Adoption of final rules.

In any case in which a notice of proposed rulemaking was issued, the Director completes his analysis and evaluation of the information, views, and arguments submitted with respect to the proposed rule and studies the entire matter. In any case in which the subject matter is, for good cause, submitted to the rulemaking process without notice, the Director initiates the procedure. The Chief Counsel determines whether legal justification exists for the action proposed, and thereafter prepares an appropriate rule or notice of denial. The rule or notice of denial is then submitted to the Director for his action.

§ 11.91 Grant or denial of exemption.

(a) The Director may, subject to the approval of the Chief Counsel with respect to form and legality, grant or deny any petition for an exemption from an Airworthiness Directive.

(b) Whenever a petition is granted or denied under this section, the Director prepares, subject to the approval of the Chief Counsel with respect to form and legality, a notice to the petitioner informing him of the action taken.

§ 11.93 Petitions for reconsideration of rules.

(a) Any interested person may petition the Administrator for a rehearing on, or for reconsideration of, any Airworthiness Directive. Such a petition must be filed, in duplicate, within 30 days after the rule is published in the FEDERAL REGISTER. It must contain a brief statement of the complaint and

an explanation as to how the rule is contrary to the public interest.

(b) If the petitioner requests the consideration of additional facts, he must state their nature and purpose and the reason they were not presented at the hearing or in writing within the allotted time.

(c) The Administrator does not consider repetitious petitions.

(d) Unless the Administrator orders otherwise, the filing of a petition under this section does not stay the effect of a rule or order.
